Sir,

Revision of the establishment of the Town Hall, Mysore

"K"

1 Adverting to Government Order No L 2817-19/Ml 11-41-14 dated 4th October 1941 sanctioning the post of a combined Town Hall and Store Clerk on a pay of Rs 25-1-40 + Rs 5/- C A, for attending to the Town Hall work as well as of the stores work in the Municipality, I have the honour to state that it is proposed to revise as indicated below, for reasons explained

2 The income and expenditure of the Town Hall which were Rs 4873/- and 4651/- respectively in the year 1942-43 have been estimated at Rs 13,930/- and Rs 13,841/- respectively for the current year 1944-45 as per the Town Hall budget estimates sanctioned in G O No L 1914-5/Ml 37-44-3 dated 28th August 1944

3 While reviewing the budget estimates of the Town Hall, the Committee felt that it was necessary to re-organize the existing establishment with a view to further reduce the expenditure incurred therefor With this end in view, they decided in their meeting held on 14-8-1944 that as the clerk attached to the Town Hall was attending mostly to the stores work rather than of the Town Hall, the clerk's pay may be entirely debited to the Municipal Funds and that the moiety of charges payable out of Town Hall funds in this behalf may be saved by granting a small allowance of R 5/- per mensem to the clerk for supervising the Town Hall work and that the present literate peon attached to the Town Hall may be appointed as a literate attendar for looking after the Town Hall work on R 15/- The above proposal results in an annual savings of R 156/- as explained below -

Existing		Proposed		
Details	Annual present cost	Details	Annual present cost	Annual savings
2 peons on Rs 10/- each	Rs 240/-	2 peons on Rs 10/- each	Rs 240/-	--
2 mallies on Rs 8/- each	Rs 192/-	1 malli on Rs 8/-	Rs 96/-	Rs 96/-
1 male sweeper on Rs 8/-	Rs 96/-	1 malli sweeper on Rs 8/-	Rs 96/-	--
1 female sweeper on Rs 7/-	Rs 84/-	1 female sweeper on Rs 7/-	Rs 84/-	--
Quota of the clerk payable to the Municipality	Rs 300/-	one attendar on Rs 15/- p m	Rs 180/-	Rs 60/-
		Allowance to the storekeeper at Rs 5/- p m	Rs 60/-	
Total	Rs 912/-		Rs 756/-	Rs 156/-

From the above, it will be seen that the proposal involves in the abolition of the post of a malli on Rs 8/- an attendar's post being created in his place and in the payment of an allowance of Rs 5/- to the clerk supervising the Town Hall work, the moiety of charges payable from the Town Hall funds being curtailed to the extent of Rs 60/- These proposals were recommended by the Town Hall Committee for sanction and the Municipal Council in their meeting held on 26-8-1944 approved of the same vide resolution No 138 dt 26-8-1944 I enclose herein copies of the resolutions of the Town Hall Committee as also of the Municipal Council, for the information of Government

In this connection, it may be stated that the work in the Municipal stores has considerably increased and a great responsibility involved on account of the lumpsum purchase of a large number of articles for the stores due to fluctuations of the rates in the local markets and the account connected therewith had to be maintained properly, besides taking care of the several articles in the stores It is felt that the Town Hall work could be got through with the proposed literate attendar on Rs 15/- whose work will however be supervised by the Clerk for which a small allowance of Rs 5/- per mensem has been proposed to be given to him As the proposal now made results in an annual savings of Rs 156/- to the Town Hall funds, a sum of Rs 300/- payable out of Town Hall funds towards the moiety of the present

present combined Town Hall clerk and store keeper's pay will have to be entirely met out of the Municipal Fundsand this small extra cost entailed upon the Municipality by the above proposal will be met out of the anticipated savings under D5, Engineering establishment during the current year I request you kindly to obtain sanction of Governr to the resolution of the Municipal Council regarding the revision of t Town Hall establishment as explained above

6 In this connection, it is to be stated that the services of the attender proposed for the Town Hall may be treated as on the inferior cadre so as to be in par with the two posts of the Telephone attenders on Rs 15/- each of the Municipality with a view to facilitate transfers of these attenders from one post to the other whenever necessary I request you kindly to obtain early orders of Government to these proposals

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT
